

FOR IMMEDIATE RELEASE

Malose Chaba Appointment Announcement

Malose Chaba has been appointed as Chief Operating Officer: AfriSam Aggregate and Readymix with effect from 1 September, 2011. He replaces Grant Nesor, who previously held the position for eight years and was appointed Commercial Executive of AfriSam in May 2011.

Malose joins AfriSam from Murray & Roberts where he most recently held the position of Executive Director since 2010. Previous positions include, amongst others, Managing Director of Murray & Roberts Limited Board, Executive Chairman of the Group Engineering Contracting & Services Cluster of Companies, Chairman of the Group Engineering Cluster as well as Group Assurance Executive, responsible for Risk, Internal Audit, HSE, Technical and Project Performance.

Malose holds a BSc (Electrical Engineering) degree from the University of Witwatersrand and an MSc (Computer Technology in Manufacture) degree from the University of Sussex, England.
