

AfriSam (South Africa) (Pty) Ltd is a leading supplier of construction-related materials, specialising in the production of Cement, Aggregate and Readymix Concrete. Operating across Southern Africa, the company offers a wide scope of career opportunities and exposure to best practices. At AfriSam we recognise that talented and enthusiastic people are the basis of our ongoing success.

VACANCY

ENGINEER-IN-TRAINING X4 – GAUTENG PROVINCE

APPLICATIONS ACCEPTED UNTIL: 07 AUGUST 2026

Our Engineer in Training programme offers a structured 24 month contract to newly qualified Mechanical and Electrical graduates to gain the necessary experience to successfully enter the job market. Successful applicants would be based at the various quarries across the AfriSam Construction Materials Business Unit in Gauteng and Mpumalanga during their training period.

Opportunities will be given to graduates with an excellent academic track record on completion of their BSc, BEng degree (Mechanical and Electrical Engineering).

Please forward your application to cm.gpnorthaggregate@za.afrisam.com, attaching the following documentation:

- Curriculum vitae/resume
- Certified copy of ID
- Grade 12 Results
- Latest academic results
- Valid driver's license

The selection process will include psychometric assessments. Upon conclusion of the assessments, applicants will be selected and informed of interviews to be conducted.

Applicants are advised that AfriSam is a designated employer under the Employment Equity Act and as such has an Employment Equity Plan in place. The Company therefore has the right to fill the vacancy in accordance with its Employment Equity Plan in order to fulfil its transformation objectives by preferring designated employees.
