

ENGINEERING IN-SERVICE OPPORTUNITIES FOR 2026 INTAKE

AfriSam – Construction Materials Cape Operations have an opportunity for P1/P2 Engineering studies:

- **Rheebok x2**
- **Peninsula x1**

AfriSam (South Africa) (Pty) Ltd is one of the largest suppliers of construction- related materials, specialising in the production of Cement, Aggregate and Readymix Concrete. Operating in four Southern African countries, the company offers a wide scope of career opportunities and exposure to best practices.

At AfriSam (South Africa), we recognise that talented and enthusiastic people are the basis of our ongoing success.

An opportunity to participate in a twenty-four (24) months In-Service Training program will be afforded to a student in the following study field for experiential training and to gain necessary experience to successfully complete their qualifications.

- **Mechanical, Electrical and Civil Engineering studies**

Students with an excellent academic record of accomplishment are invited to apply.

The successful candidate will form part of the Construction Materials Team in Rheebok or Peninsula Quarry.

Send your application to email address: cape.recruitment@za.afrisam.com, email subject line: Mechanical/Electrical or Civil Engineering In-Service Training

Please forward with the application:

- CV/resume
- Certified copy of ID
- Full academic record

Closing date for applications: **11 September 2026**

"Applicants are advised that AfriSam is a designated employer under the Employment Equity Act and as such has an Employment Equity Plan in place. The Company therefore has the right to fill the vacancy in accordance with its Employment Equity Plan in order to fulfil its transformation objectives by preferring designated employees."
